**DOUBLE CHOCOLATE PANCAKES**  
*with Caramelised Bananas & Chocolate Crumb*

#### *Method for caramelised bananas*

1. Scatter 2 tbsp of sugar in a pan. Heat the sugar until it melts and starts to bubble - once bubbling, wait for the colour to turn a deep amber. When the colour has changed, toss in the bananas and coat them in the caramel. If the sugar hardens, drizzle in a little water. Set aside to cool, ready for assembling of the pancake.

#### *Method for gold chocolate crumb*

1. Pre-heat the oven at 150 degrees. Place 100g of the Callebaut Gold Chocolate on a baking tray and place in the top of the oven for 5 minutes until it is golden brown. Take out of the oven and set aside to cool.

#### *Method for pancakes*

1. In a large bowl, whisk together the flour, cocoa powder, sugar, baking powder, and salt until well mixed.

2. In a separate bowl, beat the egg with milk, melted butter, and vanilla extract until smooth.

3. Pour the wet ingredients into the dry mixture and gently stir until just combined. Avoid overmixing to keep the batter fluffy. Fold in the Callebaut Gold Chocolate drops.

4. Heat a frying pan over medium heat and lightly oil. Add two spoonfuls of batter and cook for 2 to 3 minutes or until bubbles start to appear on the surface, then flip and cook until golden brown on each side - repeat this process.

#### *The Build*

1. Start by adding the Harvey & Brockless Kitchen Chocolate sauce to a pan on a low heat to heat the sauce and make more liquidid do this for a couple of minutes

2. To build the pancakes, start with one pancake, then add 4 slices of the caramelised bananas on top. Drizzle with chocolate sauce and finish with the gold chocolate crumb. Repeat this process until you have a good stack of pancakes, then finish with the remaining chocolate sauce and crumb, and a spoonful of vanilla ice cream.

#### *Callebaut Gold Chocolate Drops*

Callebaut's Gold chocolate drops have an intense yet balanced caramel taste. With a medium fluidity, it can be used in many different applications, from moulding or enrobing with medium thickness.

#### *Harvey & Brockless Kitchen Dark Chocolate Sauce*

The sauce has a glossy, dark brown appearance with a smooth, shiny surface, which deepens slightly in colour when heated, becoming richer and darker in tone. Its aroma carries sweet cocoa notes with a refined dark chocolate bitterness, while the texture is smooth, velvety, and lightly powdery on the palate. The flavour delivers an intense, deep dark cocoa and chocolate profile.

#### *Dorset Sea Salt Flakes*

Hand-harvested from the pristine mineral rich, and world-famous waters of the Jurassic coast. To be used within or to finish the cooking process, these briny flakes are bursting with an honest taste of Dorset.
