Black Kalamata olives from Greece, blitzed with olive oil, fresh parsley, garlic and tangy capers.

FLORA PROFESSIONAL PLANT-BASED BUTTER AND CREAM

Flora Plant Butter significantly reduces environmental impact compared to dairy butter. It has 75% less climate impact, occupies 66% less land, and uses 71% less water. Additionally, Flora Plant Double 31% has a 60% lower climate impact than the equivalent amount of dairy cream. Over the course of a year, switching to Flora products could save 7,945kg of CO₂e—equivalent to running a commercial fridge for 405 days.

DB227 | FLORA PLANT-BASED SALTED BUTTER 24 X 200G

This butter is a 100% plant-based made up of various plant oils. Perfect, for whipping into cakes and applying into a range of dairy-free and plant-based recipes.

DB228 | FLORA PLANT-BASED UNSALTED BUTTER 24 X 200G

Using the same recipe but no salt is added.

DB013 | FLORA BUTTER ALTERNATIVE SPREAD 8 X 450G

Made with natural ingredients, free from palm oil. A deliciously 'buttery' dairy free alternative.

IN239 | FLORA PLANT-BASED CREAM 8 X 1L

Not only does Flora Plant Cream have a great flavour, it's also allergen-free and non-dairy, making it a great substitute in any recipe where double cream is typically used. Incorporate into desserts or add to enhance sauces.

NETTLE FOODS PLANT BASED DAIRY ALTERNATIVES

Nettle initially focused on providing high-quality, plant-based options for leading chefs across London. Crafted with care in the heart of Oxfordshire, the company now offers a full range of organic, clean-label products, available in independent stockists and restaurants across the UK.

DM081 | HAVERSTOCK WHITE 1KG

This rich and creamy fermented macadamia and cashew cream is rich with umami flavours, often missing in plant-based cheeses. Perfect swirled through soup, topping a salad or spread across sourdough.

DM003 | HAVERSTOCK WHITE LABNEH 1KG

This plant-based Labneh is a thick and creamy with a tangy flavour, similar to cream cheese. It's often drizzled with olive oil, sprinkled with spices, and served with pitta or vegetables. Rich in probiotics, it's a nutritious and versatile dip, spread, or sauce base.

COCOS ORGANIC DAIRY FREE COCONUT YOGURT

Cocos Organic is a small, independent, family-owned British business dedicated to creating the highest quality coconut alternatives in the UK. All products are ethically made in the company's very own factory in Kent, using only natural and organic ingredients that are free from dairy, soya, gluten, and refined sugar. Proudly approved by the Vegan Society and Soil Association, Cocos Organic ensures its products meet the highest standards of trust and quality.

DY189 COCONUT YOGHURT 400G

DY172 COCONUT YOGURT 2KG

DY193 COCONUT YOGHURT 15KG

PALACE CULTURE

Palace Culture was born in Mirko Parmigiani's family kitchen in 2018 in Crystal Palace. The brand is now under the Compleat Food Group portfolio and is made using fermented cashews, almonds and live cultures, which creates some great nut-based cheeses that are an amazing dairy alternative.

VE018 | THE GOAT 100G

'The Goat' has a semi-soft, creamy texture. Made with fermented cashew nuts, almonds and live cultures. This mould-ripened plant based alternative is tangy and smooth. A great addition to a plant-based cheeseboard.

JULIENNE BRUNO

Julienne Bruno is a pioneering food venture that was founded by Axel Katalan in 2019. Today the brand is part of the Harvey & Brockless family and focusses on creating original products made with naturally plant-based ingredients.

VE004 | JULIENNE BRUNO BURELLA 6 X 115G

Julienne Bruno's most iconic product, and unrivalled in the market. Creamy Superstraccia encased in a thick and creamy "Burrata", this product is perfect to top a pizza, salad or serve with roasted courgette, a sticky balsamic glaze and crusty bread. As with buffalo burrata, this product is best un-cooked.

VE008 | JULIENNE BRUNO CREMATTIA 1KG

VE006 | JULIENNE BRUNO CREMATTIA 6 X 150G

This soft cheese alternative is a decadent and creamy base perfect from savoury to sweet. This product is more stable than other plant-based alternatives and can be baked into products like a Burnt Basque Cheesecake.

VE007 | JULIENNE BRUNO SUPERSTRACCIA 1KG

VE005 | JULIENNE BRUNO SUPERSTRACCIA 6 X 150G

This deliciously creamy stracciatella-style product is perfect spread into crusty ciabatta or dolloped over pizza. Best added after cooking to prevent loss of quality.

VE016 | MOZZAFIORE PEARLS 1KG

Inspired by the world of mozzarella pearls, cherries, and bocconcini, Mozzafiore Pearls introduce a dairy-free, vegan and plant-based take on the classic pearl. With a firm bite and delicately tearable texture, these pearls make the perfect addition to salads, snacks, pastas and more.

PLANT BASED CHEESE ALTERNATIVES

DM006 | SHAMEMBERT 160G

Styled from a Camembert, Shamembert has an authentic rind and an indulgent creamy centre. The cheese is infused with truffle oil to create rich, earthy tones. Delicious when baked in the oven with a loaf of crusty bread on the side.

DM007 | BREE 130G

Bree is a mellow, light and soft ripened cheese with a wonderful rind. This plant-based alternative to Brie, has a creamy texture with subtle earthy tones. Perfect when paired with a charcoal wafer and a sweet chutney.

DM008 | PLANT BASED BLUE 140G

This plant-based blue is made with real Penicillium Roqueforti and is matured over several weeks. When the oxygen 'meets' the cultures, this ultimately causes the veining - all of which contributes towards the distinct authentic blue bite. Maturation is about 2 to 3 weeks. The rind is treated, hand flipped and cared for daily.

VE009 | APPLEWOOD VEGAN SLICES 200G

Crafted with coconut oil and natural flavours, these slices deliver a smooth texture with the signature smoky flavour.

VIOLIFE PLANT BASED CHEESE ALTERNATIVES

DM110 | VIOLIFE PROSOCIANO PARMESAN ALTERNATIVE 11 X 150G

DM107 | VIOLIFE PROSOCIANO PARMESAN ALTERNATIVE 1KG (GRADED)

A tangy, salty, parmesan alternative. Used in our Dell'ami plant-based pesto, and great as a finishing cheese.

Try 'Prosociano Truffle Fries', flake over a Caesar Salad, or use in pizza, pasta or risotto.

DM119 | VIOLIFE CREAMY 5KG

DM111 | VIOLIFE CREAMY 8 X 200G

Spreadable and soft, this works well in cold applications only. Whip with lemon zest and powdered sugar for a creamy dessert, or spread across a bagel and top with roasted veg and balsamic glaze.

DM109 | VIOLIFE GRILL ME MED-STYLE 8 X 200G

This halloumi alternative can also replace paneer in spiced currys, grate into a pakora and flavour with rich spices. Great breaded, fried or cooked in pasties and or filo pies.

DM129 | VIOLIFE WHITE GREEK BLOCK 200G

This crumbly and buttery feta-style cheese can top salads and hummus, whip into a dip with chives and lemon zest, or load into tacos.

DM126 | VIOLIFE MOZZARELLA STYLE GRADED 2.5KG

DM125 | VIOLIFE MOZZARELLA STYLE GRADED 11 X 200G

A mild mozzarella flavour, great on pizzas, calzone and in toasted sandwiches or paninis. Especially good in toasted, melted wraps.

DM120 | VIOLIFE ORIGINAL SLICED 56 X 40G

DM124 | VIOLIFE ORIGINAL SLICED 12 X 200G

This mild, cheddar style is a great alternative. Layer into sandwiches, top smashed burgers or layer into a garlic ciabatta. Great in toasties and melting is sped up if misted with water or oil.

DM127 | VIOLIFE SMOKED SLICED 12X200G

The smoky flavour of these cheddar style slices are a great addition to a burger or grilled in sandwiches.

DM102 | VIOLIFE ORIGINAL BLOCK 8 X 200G

This mild, cheddar style is a great plant based alternative. Slice it up to top a sandwich, or use in sauces for a creamy consistency.

VADASZ DELI

Vadasz is a range of super condiments that will elevate any meal or snack in seconds. The brand's products are pickled for crunchy goodness and live cultured to produce beneficial probiotics to boost gut health and immunity. The versatile plant-based ingredients can take sandwiches, snacks and burgers to the next level and are suitable for both vegetarians and vegans.

FRESH COLD-BRINED PICKLES

As the name suggests we slice and brine raw veg in brine based on salt, water and vinegar with the addition of sugar and spices. This is mixed together and left to dissolve.

IN039 | GARLIC & DILL PICKLES 1KG

Cold brined cucumber with dill, garlic, black peppercorns, caraway, coriander and fennel seeds.

IN043 | RED ONION PICKLE 1KG

A delicious mix of red onion, black peppercorns, fennel and coriander seeds.

IN072 | JALAPENO RELISH 1KG

Hot and sweet pickled jalapenos with green peppers, apple, onion and spices.

IN083 | SMACKED CUCUMBERS 1KG

Pickled chopped cucumbers infused with fresh chilli and garlic.

FERMENTED & LIVE CULTURED KIMCHIS & SAUERKRAUTS

Fermentation in kimchi and sauerkraut is a natural process where beneficial bacteria, like lactobacillus, break down sugars in the vegetables to create lactic acid. This not only preserves the food but also gives it a tangy flavor and adds probiotics, which are great for gut health. It's a traditional method that transforms simple ingredients like cabbage into nutrient-rich, flavorful foods.

IN074 | CLASSIC KIMCHI 1KG

Vibrant and crunchy kimchi with chilli, garlic and ginger.

IN068 | SUPERBEET KIMCHI 1KG

Spicy kimchi with beetroot, red cabbage, carrot, apple, spring onion, garlic and ginger.

IN038 | PINEAPPLE & TURMERIC SAUERKRAUT 400G

Vibrant sauerkraut with pineapple, turmeric and cauliflower.

IN046 | GARLIC & DILL SAUERKRAUT 1KG

Deliciously crunchy sauerkraut with garlic, black peppercorns and caraway seeds.

FRESH HOT SAUCES

Vadasz condiments are made without any artificial ingredients, focusing on the natural, health-preserving benefits of pickling and fermenting. This method retains the nutrients and health benefits of the vegetables, making them a healthier and tastier alternative to condiments that rely on sugar and preservatives.

CP010 | VADASZ KIMCHI KETCHUP 250G

Packed with flavour, this ketchup uses the same ingredients as Vadasz Kimchi to create a tangy and rich condiment. The natural fermentation process brings out an amazing depth of flavour, making it a great match for burgers, fries or even as a marinade.

CP011 | VADASZ JALAPENO HOT SAUCE 250G

This hot sauce delivers a bright jalapeño heat balanced with a tangy sweetness from fresh apples and apple vinegar. The cold brining process keeps the flavours fresh and lively, making it a great addition to tacos, grilled meats or roasted veggies.

CP012 | VADASZ HOT PEPPER SAUCE 250G

Enjoy the fresh fiery kick of scotch bonnet chilies in this naturally fermented hot sauce. With no added sugar, it's all about pure heat and flavour. Perfect for anyone who loves a bold, spicy punch in their food.

EATEN ALIVE

Based in Battersea, London, we're delighted to be working with one of the best in the business at turning cabbage (and other fresh produce) into deliciously tangy condiments that are teeming with gut friendly bacteria. From Classic Kimchi to Smoky Pink Kraut they're literally alive with possibilities.

IN800 | CLASSIC KIMCHI 1KG

This classic kimchi has a milder heat from the ginger and has a subtle garlicky tang with a refreshing crunch. Made with crisp Chinese leaf and crunchy shredded vegetables.

IN993 | CLASSIC SPICY KIMCHI 3.5KG

A faithful rendition of Korea's favourite condiment, this classic kimchi packs a punch thanks to a combination of chilli, garlic, ginger and spring onions with Chinese leaf cabbage. Funky and fresh at the same time, it adds a kick to everything from poached eggs to washed rind cheeses.

IN534 | GOLDEN KIMCHI 1KG

IN994 | GOLDEN KIMCHI 3.5KG

A splash of sunshine on the plate, this kimchi gets its mellow yellow colour from the addition of turmeric, plus there are zingy, spicy notes from preserved lemon and ginger. Try it with miso ramen or in a roast chicken sandwich.

IN802 | SAUERKRAUT 1KG

Made with the finest white cabbages, this classic kraut is crafted by blending time-honoured fermentation methods with contemporary flavours. The combination of spices and aromatics create a uniquely bold, bright, and refreshing crisp taste.

IN535 | SMOKY PINK KRAUT 1KG

IN996 | SMOKY PINK KRAUT 3.5KG

A pinch of smoked chilli powder is the secret ingredient to this pink and perky combo of white cabbage, beetroot and aromatic spices. Adds crunch and colour to Middle Eastern dishes and barbecued meats.

IN726 | WHITE CABBAGE KIMCHI 3.5KG

Using the same recipe as the classic kimchi but with the addition of white cabbage to add an extra punchy crunch.

IN995 | BREAD & BUTTER PICKLED CUCUMBERS 3.5KG

Bring on the burgers! These slices of pickled cucumbers are sweet and sour with a satisfying crunch, plus delicate fennel notes and a mustardy spice.

IN998 | DESEEDED SLICED PRESERVED LEMON 1KG

Sliced, deseeded and ready to use in North African and Mediterranean dishes, these preserved lemons are less salty than others allowing them to sing with a bright citrus flavour.

IN999 | PRESERVED LEMON PASTE WITH YUZU 1KG

Japan meets North Africa in a smooth paste of preserved lemons and yuzu. Fragrant, fruity and bursting with flavour, it can be used to elevate soups, marinades and sauces, or even lemon drizzle cake.

IN724 | FERMENTED JERK MARINADE 500G

A jerk marinade with a difference. Eaten Alive are best known for their kimchis and 'krauts, but they have put their fermentative arts to good use in this punchy paste, which is made with smoked and fermented vegetables, plus Scotch bonnet chillies. It's a powerful ally to barbecued chicken.

CHEFS INGREDIENTS

From pasta and couscous to ready-made stocks and sauces that save time in the kitchen, we've sourced some superb ingredients that are rock solid building blocks of the kitchen. Think of them as character actors, there to help the stars of the show shine.

SUNNY & LUNA PASTA

Sunny & Luna's pasta takes inspiration from Founder Giulia's 'nonna's' traditional recipes and has created a new style of pasta. Half of the wheat flour is replaced with fresh vegetables and pulses to create a version that is lower in carbs. Not only do they taste delicious, they also provide one of your five a day.

IN732 | CAULIFLOWER GNOCHI 350G

IN806 | CAULIFLOWER GNOCHI 1KG

The owner of Sunny & Luna has taken her grandmother's gnocchi recipe and given it a modern makeover by replacing half of the potato with fresh cauliflower. The result is a lighter version of the classic Italian potato dumplings, which is extremely versatile in the kitchen. Fried, roasted or boiled, they can be used as delicious bites in salads and bakes.

IN733 | SPINACH AND CAULIFLOWER GNOCHI 350G

Made using the same beloved grandmother's recipe as the cauliflower gnocchi, this version features the delicious and vibrant addition of spinach. Packed with nutrients, beautifully colourful, and wonderfully versatile, it's a wholesome twist on a classic favourite.

IN263 | GLUTEN FREE FUSILLI 400G

Pasta with a twist in more ways than one. Sunny & Luna's spirals of fresh fusilli are made in Italy with a mixture of potato, rice and buckwheat flour rather than wheat flour, so are completely gluten-free. Delicate in taste and satisfyingly chewy in bite.

MED CUISINE

It all started with tahini. Med Cuisine was founded by a Middle Eastern expat who couldn't find the authentic ingredients (especially tahini) that he was used to back home. The answer? Import them himself. Today the company has built an impressive larder of fabulous foods from the Middle East and the Mediterranean, which is much loved by chefs and retailers.

TH001 | NATURAL TAHINI 454G

Med Cuisine has built its business on tahini, so expect to be impressed. The company's flagship product is made with humera sesame seeds from Ethiopia, which are roasted and ground into a delicious smooth paste that can be used in a kaleidoscope of recipes that go well beyond hummus.

TH002 | BLACK TAHINI 310G

The black-hued cultivar used to make this tahini is high in calcium and has a richer, deeper flavour than standard light-coloured seeds. It comes in an easy squeezy bottle too.

TH004 | PEARL COUSCOUS 5KG

Made from 100% semolina wheat flour and shaped into slightly larger pearls than other couscous, this staple of the Middle Eastern kitchen has a toasty nutty flavour and al dente texture when cooked. It's a flexible friend to chefs, who can use it in tabbouleh, tagines and salads.

TH006 | SILAN DATE SYRUP 840G

The ingredients list for this award-winning syrup couldn't be any simpler. Made from 100% steamed and pressed medjool dates, it has a bright fruity flavour that works in a myriad of ways. Use instead of honey in marinades and dressings or to add sweetness to desserts. It even works drizzled over blue cheese for a pleasing sweet and salty treat.

ESSENTIAL CUISINE

There's a reason why Essentials Cuisine's stocks, jus and gravies taste like they are made in a kitchen. The company is run by chefs for chefs, with 200 years' combined experience of working in kitchens between them. The company's ingredients are initially developed by this highly trained team in an innovation centre in Winsford, Cheshire, who oversee everything from the initial idea through to production on state-of-the-art manufacturing facilities. They put in the effort, so you don't have to.

IN762 | MUSHROOM GLACE 600G

It's easy to go wild for this mushroom glace, which brings an earthy, umami abandon to dishes ranging from stroganoff to laksa. Made from different varieties of mushrooms, the reduction can be added to creamy sauces or even mixed into hot water for rehydrating dried mushrooms to turbocharge the flavour. A game changer for vegetarian dishes.

PLANT BASED PATISSERIE

INGREDIUM

The ingredium range is designed in tandem with professionals, with specifically created solutions to help respond to their culinary concerns and problems. The range of texturisers and starches, acids and salts, emulsifiers and stabilisers, sugars and derivatives are a key ingredient in almost every kitchen.

IN515 | XANTHAN GUM N.10 1KG

Xanthan is a thickener and stabiliser produced by fermenting beet glucose or glucose derived from other starch sources. Used in very low doses, Xanthan can be a very powerful thickener.

IN516 | AGAR N.29 700G

A gelling agent extracted from red algae, traditionally used in Japanese pastries such as Yukan. Agar thickens and stabilises all aqueous liquids.

IN517 | PECTIN Y N.26 1KG

Pectin Y is a gelling agent extracted from citrus fruit peel and processed to improve functionality. A slow-setting pectin specifically adapted to sugar rich mediums (Brix >60) and acidic substances (pH <3.5). Pectin Y forms a firm texture with a good resistance, and it is not thermos-reversible.

IN518 | PECTIN NHX N.58 1KG

Pectin NHX is again, sourced from the peel of citrus fruits, and chemically processed to be used in mirror glazes, in fruit, chocolate or in mediums with a low sugar content.

IN519 | PECTIN CA N.48 1KG

Pectin CA is again, sourced from the peel of citrus fruits. Pectin CA is designed to work with light or naturally low sugar mediums. Developed to work alongside Pectin NHX (medium sugar levels) and Pectin Y (high sugar levels) as a comprehensive range.

IN523 | COLDTEX N.20 1KG

ColdTex is a thickening agent made from chemically modified potato starch. It can increase viscosity when cold, and create an extremely thick texture. Preparations made with ColdTex can be frozen and withstand moderate cooking temperatures.

IN524 | CITRIX N.17 1KG

A neutral tasting, citric acid concentrate, found naturally in citrus fruits like lemons.

IN525 | ASCORBIX N.02 1KG

With an entirely neutral taste, ascorbic acid is naturally found in citrus fruits.

IN527 | EMUL A (SUNFLOWER LECITHIN) N.32 600G

A natural lecithin solution produced from sunflower seeds. This de-oiled lecithin, in powder format is easy to use and works well with liquids and fatty preparations.

IN528 | EMUL S (SOY LECITHIN) N.08 600G

A concentration of soya lecithin from natural and non-GMO origin. This deoiled product is processed in powder format for ease of use. It works well with liquids and quite well in fatty preparations.

IN529 | SORBITOL N.24 1KG

Sorbitol is a polyol derived from the chemical transformation of starch derivatives. It is naturally present in some fruits such as plums or grapes. Use to stabilize different recipes to improve their stability and moistness during storage.

IN530 | DEXTROSE N.15 1KG

A simple sugar produced through the hydrolysis, drying, and sieving of starch. Dextrose also mobilises water molecules, more efficiently than sucrose, during freezing, which ensures a supple and consistent mouth feel and texture in ice creams and sorbets.

IN531 | SORBIUM N.35 800G

A stabilising system designed to optimise sorbet quality throughout the shelflife. Based on a combination of selected texturisers, enabling stabilisation of the water by limiting the formation of large crystals, modulating the melting point and improve taste.

IN533 | GLUCOSE P N.43 1KG

A specific mixture of carbohydrates from starch, with different molecular sizes which allows it to mobilise water more efficiently than sucrose. Produced by hydrolysis, drying, and sieving, this product is 60% as sweet as standard, powdered cane or beet sugar.

IN172 | NATUR AGRUM NO.12 500G

Natur Agrum is a fiber extracted from citrus. It is a cream colored powder with a neutral taste. Natur Agrum is composed by long polysaccharide chains that gives it an exceptional liquid retention capacity. Its thickening and emulsifying properties are effective regardless of the pH of the medium, in both hot and cold applications. Natur Agrum contains natural pectins which allow it to gelify under the right condition.

IN173 | NATUR AIR NO.42 400G

Natur air are potato proteins with several functionalities: foaming, gelling agent and emulsifying. Thanks to its neutral taste, its whiteness and exceptional texturizing power, these proteins are ideal for egg white powder replacement in your pastries and cocktail recipes.
